

MORLEY HOUSE NEWSLETTER

Issue 26 - 8th May 2009

Tuck Shop

The amount of money raised from the Tuck Shop last term totalled £180. This has been added to the £130 raised by the SOS Day on Friday 29th January and sent to the RNLI. This term we are raising money for the Lily Foundation. The children look forward to the fortnightly tuck shops and we appreciate your support and culinary skills, which enable us to raise money for causes that are important to us.

Newhaven Fort

On Thursday 7th May Year 4 went to Newhaven Fort. We started at the Air-raid Shelter, which was scary but also exciting. It was very loud, like we were really in the 1940's. After that we got split into three groups, my group went to the theatre, we watched how they built Newhaven Fort with all the steps. After we had visited all the rooms we went to the play area, it was really fun. Then we went to the cliff top, we were very wind-swept. We walked up to the Radio Room and there was a tiny museum with a Morse code machine. We all got a certificate for doing Morse code, and then we started to make our way back down. We went down more than 74 steps and climbed all the way back up, then we went to the gift shop and finally back to school.

By Esme Mukherjee Y4

On Wednesday Reception visited Shoreham airport as part of our transport topic. We saw many planes and helicopters taking off and landing. Our guide gave us lots of information about the different types of planes and how they fly.

Here is a photo of us in front of the Police Helicopter.
