Sea shore study

On Monday, Year 6 went to Birling Gap to do their seashore study. We left at 9:45am and we got there at 10:30am. When we got to the beach, we had a snack and then we went into our groups. There were three groups: one group was with Mrs Jago, another group was with Miss Eastlake and the third one was with Mrs Noakes.

We had to find three stones and three shells that were different in two ways and explain their difference to the rest of the group. We then had to find the longest piece of seaweed. After that we made sand sculptures with rock, stone, shells and sea weed. After that we went into the rock pools to see what we could find. We found some crabs, sea anemones, limpets, star fish and a butter fish. Then we had lunch. When we had finished, we spent ten minutes absorbing the atmosphere in preparation for some poetry writing later in the term. After that we went back into the rock pools to let our sea life go and finish off what we had not done. Then we were allowed to throw rocks into the sea. When we had finished on the beach we were allowed to buy ice-cream and drinks. Altogether, we had a brilliant trip and got loads of information for our projects.

By Elliot Taylor and Lawrence Wright

Area Sports Day

On Wednesday June 17th Morley House competed in the area sports. We competed against 8 other schools and did very well. Everyone competed with distinction. All the Relay teams reached the finals and the following athletes reached the finals of their individual events: Connie Crossland, Kitty Simmons, Farral Ryder, Freddie Squire-Sanders, Phoebe Mukhurjee, Emily Mason, Jake Newton, Phoebe Crossland and Polly Clarke.

In the field events Morley House excelled with 1st places gained by Henry Gilbert, Chris Mayhew, Grace Allen and Ella Swinney.

Congratulations to the entire team and thank you to the many parents who turned up to cheer the team on.

Wilderness Wood

On Monday, 15th June 2009 Year 3 visited Wilderness Wood to enable them to study the woodland for their science project.

A message from Professor Frizzyhair

Thank you very much for inviting me to your school to attend Year 3's assembly. I thought the children were very knowledgeable about magnetism and did some very interesting experiments. I hope you will invite me to your lovely school again soon.

Prof. Frizzyhair explaining magnetism to some year 3 children.

Dates to Remember

- Tue. 23rd June Y3 visit Paradise Park
Y6 Bikeability Course
- Wed. 24th June Morley House Sports Day - 2.00pm
- Fri. 26th June **Class Photographs**
Y4 V.E. Day Party in School Hall

- Fri. 10th July School closes 3.30pm

PTA SUMMER FAIR
SATURDAY, 20th JUNE 2009
MORLEY HOUSE
11.30AM - 2.00PM
PLEASE COME AND SUPPORT US

Important Message to Parents

When you send money into school, please, please make sure that you put it into an envelope with your child's name and form written on it along with the reason for sending the money in and then hand it to your child's form teacher. This will enable the school to deal with financial transactions more efficiently and help to prevent any unnecessary confusion. We hope that you will support the school in this matter.
