**Cycling Proficiency**

This week Year 5 have undergone a cycling proficiency course run by a group called 'Bikeability'. The children really enjoyed the course and it helped them to gain a real sense of traffic awareness along with general cycling skills.

Dear PTA

Thank you for giving us the chance to do a Bike Ability Course. We all had so much fun with Mike and Janie. They taught us road signs, how to signal, where to stop and lots more.

My favourite part was when we had a relay race. On the first day we played games and learnt signalling. We made a kind of snake and went around the playground. On the second day we went on the roads. We learnt where to stop and how to turn.

Now I am very confident on the roads. I'm really pleased with myself as I have a bright orange badge to show I got level 2.

Thanks again for my day.

Ben Ingham
