Vectis R. F.C. Rugby Tournament

On Sunday the 26th of April Heathfield Rugby Club took part in The Vectis Rugby Festival on the Isle of Wight. I play for the under eights.

On a sunny day we progressed through our pool matches scoring quite a lot of tries. After the 4 pool games we got through to the Cup knock-out stages. We won our quarter and semi finals but lost narrowly to Chichester in the final.

We were disappointed to lose as we had beaten Chichester earlier in the year but it was a great finish to a season in which we won the Lewes and Chichester festivals and were East Sussex

£55.00

Searching for Plaques

On Wednesday, 29th April Year 5 went into Lewes to search for historical plaques for our Local History Study. We saw from Tom Paine's house to a Round house once owned by Virginia Woolf that used to be a windmill. We also visited the famous Dr. Richard Russell's house; he discovered that seawater is good to drink. We also discovered a lot about Thomas Paine, who was the founder of "American Independence with pen and sword". The Bull house belonged to Thomas Paine from 1768 - 1774. It was really good fun and we all learned a lot about Lewes.

By Dominic Swaine & William Pearce

Pupils collected early.

If you have to collect your child from school earlier than 4pm would you please notify the school, in writing beforehand, giving dates and times. This will help to minimise the disruption of lessons.

Thank you

Health & Safety

Please be assured that the school is monitoring the current flu virus situation. There are several websites that provide up to date information, and if you have any concerns please contact the school on 01273 473246
