

SPORT NEWS AT LOGS

Physical Education Sports Report

Easter 2009

Since I last reported to you at Christmas our focus at LOGS has been on hockey. Both the boys and the girls have participated in hockey during their Games lessons, whilst our after school clubs have been very well attended. See separate hockey specialist report, by Mrs Webster below.

Finally, now that we are in the rugby season we are hoping to play a number of matches against local schools. So far we have played Chailey at under 13's and under 15's. We are due to play Heathfield and Uckfield after Easter. Details will be posted on the website shortly.

House Competition

This term the Houses have been battling it out over a wide range of sports. To coincide with the activities studied during their Physical Education and games lessons we have organised and run competitions for hockey, basketball, indoor football and squash.

As usual, victories were spread out across the sports / year groups; however, a special mention should go out to Malling for their clean sweep of basketball victories across four year groups.

Outside of the sport, a number of staff has run excellent House events. Mrs May has replicated the success of the BBC's Masterchef competition. The standard of cooking and presentation was exceptionally high. Congratulations to all those who entered. Later in the school year, we hope to send our own representative to the local inter-schools competition.

Ms Dinmore and Mr Ashford organised a portrait competition for all our budding artists. Again the standard was superb. The overall winner was Phoebe Longley in Malling.

All results can be seen on the results table attached. Congratulations go to Malling, who are the new leaders. (With a superb 4986 House points).

House Cross Country – “Race for Life”

In the last two weeks of the Spring term, LOGS is offering all Key Stage 3 students the opportunity to take part in a House cross country competition. In order to give the students extra motivation, (as well as scoring hundreds of House points and improving their own health and fitness!) they have all been given sponsorship forms to raise money for Cancer Research UK. Last year this event raised just under £1900. It is hoped that as we continue to offer this opportunity to our students each year, we will raise even more.

Winners in 2008;

Year 7	Charlie Clark (Malling)
Year 8	James Fuller (Barbican)
Year 9	John Evans (Malling)

Good luck to all the competitors this year!

Mr Twilley.
(Head of Physical Education)

Hockey Fixtures 2008/9

V1th Form Hockey

14th Nov Vs Staff Lost 0:3

To play

25th Feb Vs Plumpton College

Yr 10 / 11 Boys

Louis Osman > men's 4's
Megan Hersey > ladies 3's
Jack Whyte > men's LX's

Hockey Club @ the Southdown Club

Hockey club runs each Tuesday for Yr 7 & 8 boys and all girls, and Thursday for senior boys.

Joining the coaching team is Chris Marchant – Lewes men's 1st team coach. Chris oversees the boys' training, and we are delighted to have his wealth of knowledge and experience. Chris also provides an excellent link with the Lions – the junior squad for Lewes Hockey Club. As you can see many of Lewes Old Grammar School students represent the Lions in weekly Saturday matches – and some have now progressed into the mens' teams.

Lou Webster continues to coach the girls, and as the Lionesses coach (girls' junior squad for Lewes Hockey Club), there is also an excellent opportunity for the girls to play competitive hockey at the weekend. Hockey club will run after Easter – if your son or daughter is keen on joining after the holiday please do!!! See Mrs Webster for information.

Netball Fixtures 2008 / 9

Yr 9 Girls

30 th Sept	Vs	Newlands (away)	Lost
7 th Oct	Vs	Battle Abbey (home)	Lost

14 th Jan	Vs	Vardean (home)	Lost

To play

11th Feb Burgess Hill School for Girls (home)

4th March Dorothy Stringer (away)

NETBALL CLUB @ the Southdown Club.

With the subsequent building of 2 floodlit netball courts at the Southdown club, we have been able to set up netball training for the girls after school.

Coached by Mary Harley (Level 1 coach), and assisted by Mrs Webster and Mrs Ticehurst we now have Year 7, 8 & 9 netball squads training each Wednesday after school.

As you can see from our results – we are very much in our early stages of learning. We have lost to far more experienced teams, and much larger schools. Despite this our girls never dropped their heads – they fought hard in every match they played. They are a credit to the school!

We will continue to train up to Easter and will hope to build up both our experience and confidence for the start to next season.
