

Message from the Head

Dear Parents,

It is the end of an exciting year, full of many events and achievements. I have been pleased to have had personal involvement in so many of the children's activities and have seen a great amount of progress in the children's academic and extra-curricular development. Well done everyone!

As you are aware, we are sadly saying goodbye to some of our staff here at Morley House. Miss Murray is leaving us for a new life in Australia, and we wish her luck for the future. Miss Eastlake is saying goodbye to complete her teacher training at Middle Street Primary School in Brighton. I am sure that Middle Street will no doubt benefit from having Jane on their faculty. Miss Bennett is off to work on a cruise ship with Mickey Mouse! I hope that she will enjoy her time sailing to many places, whilst doing what she does best. Miss Butcher is welcoming her baby into the world very soon—congratulations to her! And finally Miss Horrocks is getting married in a couple of weeks and will be returning to the Nursery as Mrs Gilderdale! Congratulations also!

We will be welcoming into our staff here at Morley House Miss Chapman - our new Year 2 Teacher, Miss Wicks - our new Reception Teacher and Miss Jackson - our new Year's 4 & 5 Assistant Teacher .

We are also, of course, saying goodbye to our Year 6's. You have all been such a credit to the school and I wish you well in Year 7.

I hope you all have an enjoyable summer and return to Morley House refreshed and ready for another year in September.

Guy Crossland
Head Teacher, Morley House

Prizegiving Photo's

Inside the envelopes containing your child's End of Year Report is a small slip detailing how to purchase the Prizegiving Photo's via the password protected website.

Jump Rope for Heart

Congratulations to all those who raised money for the BHS sponsored skip for Heart. The total raised was **£266.00** 20% of which is allocated to the school and the school council will decide how and where to spend the money. Well done to Esme Mukherjee who raised the highest individual total, Heart will be sending you a ruck sack for your efforts. Thanks again to all who took part. What a great way to keep fit and save lives!

Mrs G Rham

Year 6 'Moving On' Dinner

On Wednesday evening the Year 6 children, with their parents and Staff, enjoyed a delicious meal at Bill's to celebrate our moving on from Morley House. Bill's was looking at its absolute best in honour of the occasion, with the sun streaming through the windows. We thoroughly enjoyed the occasion which was only tinged with regret that we had to say a fond farewell to Ashvin who is leaving the school. Everybody had a wonderful time and we would like to thank the School for making the evening so memorable. We will miss Morley House but we are looking forward to Year 7. Thank you.

Year 6

Knockhatch

Year 5 and 6 End of Year Trip to Knockhatch

Yesterday Years 5 and 6 went to Knockhatch for our end of year treat. We had a great time petting animals and going on rides. Sasha was nibbled by a chipmunk. The Demon Drop slide was really scary. We played bulldog on the Bouncy Pillow. The Laser game was great fun and we had some future F1 drivers on the Go-Kart track. The queue for the Bungee was rather long but it was worth waiting for. Lots of us tried our best to stay on the Rodeo Bull. Tom was the run-away winner with a massive 58 seconds. This was a great end to a great year.

Year 6

Thank You's

Dear Staff, Children and Parents,

It only seems like yesterday that I walked through the Junior School's front door and knew by the end of my interview that this was the place I wanted to work. Initially working with Mrs Spinks in Reception, over the last fourteen years I have been lucky enough to work within each year group at Morley House, as well as working at the Senior School. I have learnt so much not only about school life but also about myself which is invaluable.

While I have to leave in order to complete my teacher training at Middle Street Primary School in Brighton, I will be taking with me truly wonderful memories and I want to thank-you for your support, as well as the many laughs we have had over the years. I will be back to visit, in fact I am already looking forward to seeing the Key Stage Two production in March.

A HUGE thank-you for my leaving present - it is very generous of you and very much appreciated!!

With very best wishes,

Jane Eastlake

Dear Parents,

I wanted to take this opportunity to thank all parents for your kind words in the last few weeks.

The best part of my job is the knowledge that I have potentially impacted on so many lives. It has been such a hard decision to leave LOGS after six years - it is a special place and I don't know that I will ever enjoy a job so much as I have this one. It has been a privilege to have been involved in your

children's education and I do hope that I see some of you if you ever get to Australia.

Thank you so much for the last six years - I will miss you all.

Lyndall Murray

PTA Summer BBQ and Fete

The PTA would like to thank all the children, parents, Staff and friends who made the recent Summer BBQ and Fete such a success. The event raised £1700 and was considered to be a great success by everyone who attended. A special thank you to those children who entered the competitions and we will certainly do something similar next time. Now we need more parents and Staff to enter the adult categories! Also a huge thank you to the Year 6 children who supervised stalls so efficiently.

Hampton Court Flower Show

Year 5 were lucky enough to go to Hampton Court flower show to take their scarecrow which was part of a competition. We all had to wear fluorescent jackets. When we arrived we put the scarecrow in to position. Then we had the rest of the day to look around the show. The show was very exciting and I really enjoyed it. I especially liked looking at the gardens. If you or any of your friends visit the show make sure you vote for our scarecrow.

Year 1– 4 Trip to Groombridge Place

On Monday 4th July we all went to Groombridge Place. When we got there we went to the playground, we saw two deer's and some alpacas. Then we saw the Australian 'moving trees' – they were really hairy! Then we saw the tepees and by the tepees there was a little face. And we saw faces on the trees! Then we had lunch.

We had lots of fun!

By Hector Summers and Theo Filsell-Bayes
