Fitness Club

Please be aware that Fitness Club has been cancelled for Thursday 3rd February. This is due to Mr Crossland accompanying the U11 football team to their 5-a-side tournament and therefore being unable to teach the Fitness Club the same evening.

Netball Club

Please be aware that Netball Club is cancelled on Wednesday 2nd February as Ms Rham is unavailable to teach the class that evening.

Football Match Report

On Wednesday the Year 3 and 4 boys football team played Skippers Hill. In the first half Ben Brown scored 1 goal and then Huxley scored another. At half time we were 2-0 up. The Skippers Hill team were good and broke away from midfield but our attack was better than their defence. Kars Koster saved at least 4 of their shots at goal. Ollie had a good shot at goal but forgot to look up and Theo worked really hard in midfield but got exhausted. In the second half the story was different. Our defence were over-powered. Despite Joel working hard in goal they scored 2 goals. Felix and Ben Battle saved us from a much worse defeat. The final score was 2-2 but we were really pleased with our performance.

Morley House New Playground Train

Dear PTA,

Thank you for buying us the lovely train for our adventure playground. We were really excited when we watched the men building it and had our first go on it today. The tunnel through the engine is the best bit, and that lots of people can play on it at the same time. We also love the colours. It really brightens up our playground.

Thank you!

From Rachel Green (4CW) and all of Morley House.

Reception Visit to Lewes Police Station

Reception visited the new and old police station as part of our "People Who Help Us" topic. We got to see the police at work and inside a police van. We also got locked in the cells, luckily only for a few moments!

Miss Butcher (Reception Form Teacher)

Year 3 Teeth Cleaning Experiment

As part of our science topic “Healthy Living” Year 3 tried using disclosing tablets which stained any plaque left on our teeth after we had brushed them. We learnt how important it is to make sure we brush all our teeth carefully.

Miss Dumbrell (Year 3 Form Teacher)

Blue Peter Badge for Poem

Congratulations Sasha Budnik-Grantham!

Well done to Sasha who received a Blue Peter Badge for the following poem written during one of our ‘Snow Days’ last month:

My Garden in White

A white ocean stands outside my house

The flowerbed is like a hill sticking up from the ground on the mainland

The Trees Great, gleaming glistening old masts from ships who have got in the oceans path

The fallen leaves sharks which might snap at my heels every time I walk past them

Snow balls hurtling through the air like cannon balls from an enemy ship

The snowman a lighthouse its great orange light shows sailors the way I can hear no Roaring engines

No tweeting birds

Just me a lone ship looking out onto this white ocean.

Dates for the Diary

Spring Term 2011

1st February	Year 1 & 2 Road Awareness Reception Trip—Lunch at Lazzatis
