

Logs Sixth Form

- Haiti Earthquake Appeal -

Members of LOGS Sixth Form recently organised events raising over £200 for the Haiti Earthquake Appeal Fund

A very popular and successful giant Cake Sale was held in St Clair House which was followed by a lunchtime concert in the Music Department featuring both drama and musical performances

The school dining room Caterers contributed a percentage of their day's takings to the final Total

Many students contributed towards this worthy effort by :-

- actually baking the cakes
- running the stalls
- writing and appearing in the drama
- singing solos and in groups
- playing in the concert

Thanks to everyone for your support in raising these funds which will be used to help those so desperately in need
