Full Company

Synopsis

It is 1929 - Gangster Warfare rages in New York

'Dandy' Dan's hoodlums terrorise the district, exterminating undesirables with their new weapon Splurge Guns. His rival is 'Fat Sam' Stacetto who runs the Grand Slam Speakeasy. Fat Sam's gang are still using old fashioned pies. Fat Sam engages the help of Bugsy Malone, a smooth city slicker who hitherto has been more occupied in sweet talking Blousey Brown, a would-be girl singer.

With Bugsy's help, Fat Sam escapes from a frame-up but he learns later that Dandy Dan's mob have splurged nearly all his gang. They've also destroyed his sarsaparilla and grocery rackets - the whole empire's gone ! There's only one hope left.

Fat Sam pays Bugsy 400 dollars in exchange for more help. Bugsy, who has promised to take Blousey to Hollywood, has to break his date with her. Is she mad !

Meanwhile Bugsy and Leroy Smith, a guy with an awesome punch, witness a secret delivery of splurge guns at Dock 17. With a bunch of down and outs, they help themselves from the crates. Then the police arrive, led by Captain Smolsky and Lieutenant O'Dreary. Bugsy and the gang escape through a trapdoor.

Finally Dandy Dan prepares for a showdown at Fat Sam's speakeasy. When his mob burst in, Bugsy and the guys let 'em have it - the works. Splurge, Custard Pies, ... Out of the gooey pandemonium it emerges that Bugsy and Blousey have made it up. Peace has broken out at last !
