Year 3 Visit Tesco

Year 3 has been learning about healthy eating and the various food groups e.g. carbohydrates, proteins, fats, etc and the effect these foods have on our bodies.

On Thursday 3rd December they visited the local Tesco store to carry out a survey on all the different foods that the shop sells, and then they listed them into the various categories.

Christmas with the Aliens

On Friday 4th December, Years Nursery to Year 2 will perform a brilliant play called *Christmas with the Aliens*. It is the story of the Nativity seen through the eyes of aliens who have crashed landed on Earth by mistake. The aliens are performed confidently by Year 2. Their landing on Earth and their song and dance is hilarious.

The teachers and audience laugh their socks off. The little ones did so well to learn all their words. The strong performances from Mary and Joseph, The Three Kings and the rest of the cast suggest that they will be contenders for major parts in future Junior Productions.

This is a play not to be missed and is a credit to the Staff and children in the lower part of Morley House. Another triumph!

Young Voices

On Wednesday, 2nd December the Morley House school choir performed in the Young Voices Concert at the O2 Arena in London. It was a great experience for all the pupils taking part and one they thoroughly enjoyed.

Geography Survey

On Friday, 4th December Year 3 carried out a survey of the 'street furniture' and other geographical points of interest in King Henry's Road, afterwards they will write a report on the facts they discovered during their survey.

Bodiam Castle

On Thursday, 26th November 2009 year 5 went to Bodiam Castle. We all left school for our History trip at 10.00am in the minibus. It was a long journey, at least thirty-five minutes. When we got there we all went to the Reception and they had artefacts that we all looked at.

After that we split into two groups. Ashvin, Todd, Rebecca, India, Richard and me were with Mrs Jago. We went to look at armoury which was really good fun, while Farrall, Isaac, Robin, Kitty, Beatrice, Esme, Freddie and Miss Young took a tour of the castle and saw how the people lived in the castle.

Then we switched and my group took the tour which told us some very interesting things like where people slept and that slaves slept in the cold places. Afterwards we all had lunch. Then some of us went to the shop, while the rest went to the top of the towers.

There were bats in the towers so we had to be quiet. Then we all left at ten to three, got onto the minibus and came back to school.
