

MORLEY HOUSE NEWSLETTER

Issue 13 - 22nd January 2010

Primary Maths Challenge

Congratulations to **Timon Walshe-Grey** and **Dominic Swaine** in Year 6SJ, who have reached the finals of the National Primary Maths Challenge. They sit the next paper on 3rd February and we wish them luck. Well done both of you!

Winter Coats - Year 1

If you have any spare 'navy school coats' at home Miss Murray would be grateful if you would just check them to ensure that your child has brought the correct coat home.

~ ~ ~ ~ ~

P.T.A.

If you wish to sell your child's navy coat please bring it into the PTA Second-hand Shop at Morley House with a label on giving your name and address.

Toys

Year 1 visited 'Sue Pearson Bears' in Lewes this week and learned to tell the difference between old and new teddies. Our class bear Eddie looked a bit scruffy compared to the beautiful antiques in the shop!

If any parents have any old bears or old toys that they could lend us for our topic work, we would be very grateful.

Dance Club - there are some spare places on this Monday after school club. If anyone wishes to join please see Mr Crossland.

Art Club - is not running this term.
