Easter Chicks

Reception class have been given some eggs by William's mum and we are patiently waiting for them to hatch. If anyone is interested in taking one of the chicks home please come and see Miss Butcher.

Resource Boxes

To enhance playtime for the children in the lower part of the school, I am compiling some boxes of resources which the children can take outside to use. If you have any small toys, such as those from McDonalds or Christmas crackers, please could you send them into Reception Class.

Many Thanks
H. Butcher

Reception Class visited Wilderness Wood on Tuesday, 2nd March as part of the 'Fairy Tales' topic they are studying this half term.

They also learnt how to make items from wood.

Hagbane's Doom Yrs 3 - 6

If anybody is able to help decorate hats for this production please let me know.

Some children will be wearing a small amount of face paint. Please let me know if your child is allergic to face paints.

All the children should have received a note about their costume. Please let me know if you have not received this letter. Thank you very much for helping with your child's costume.
