Reception Trip

On Friday 7th May, Reception class travelled on the train from Lewes to Plumpton station, where they were given a conducted tour of the railway station.

Afterwards they returned to school in the minibus.

This trip was to support the work they are doing in their Transport Topic this term.

Cycling Proficiency

On Tuesday 4th, Wednesday 5th and Thursday 6th of May, Year 5 and a few Year 6 pupils went to Hailsham to do their cycling proficiency course.

On the first day the cycling teachers watched us riding on the playground to see who was capable of riding on the road. Only a few people were chosen to go on the road.

There was a very steep hill and it was hard to climb but we managed to get up it. When we got to the top we were spilt into two groups and one group did indicating. On the second day we did overtaking cars and right shoulder checks.

On the last day we did minor to major roads. We are still waiting to know if we have passed or not.
