After School Clubs - Cancellations

Due to Parents' Evening and other school events the following clubs will need to be cancelled. We apologise, in advance, for any inconvenience this may cause.

Fitness Club : 20th May, 10th June, 17th June & 1st July

Cricket Club : 8th June, 15th June & 6th July

Nut Allergies

Some pupils in school suffer from nut allergies which can lead to serious complications if the children concerned come into contact with any product which contains nuts or nut oil, with this in mind I would be grateful if parents would refrain from sending their children into school with tubs or boxes full of nuts. I hope you will support the school in this matter.

Music Workshop

On Monday 17th May our Music Workshop is taking place. All the classes will be taking part throughout the day which should be a very enjoyable one.

Year 6 proudly wearing their Samurai Helmets

Author, Chris Bradford Visits LOGS

On Monday, Year 6 joined Years 7, 8 and 9 in the Senior School Hall for a visit by Chris Bradford, the author of *The Young Samurai* series. He told us about Japan; Martial arts, the language, the culture and even about Green Tea ice cream and Green Tea Kit Kat. They are both delicious. He told us that *Star Wars* was about the Samurai and their names are based on Japanese: Yoda, Obi Wan Kenobe, and the light sabres are really Samurai swords. He read us an extract from the first book. It was about a fight between Jack and Yamoto. While he was reading he was acting it out with a bamboo sword. Every now and then he came within an inch of Nick's face. But he did not even move. He was really impressed that we had made Samurai helmets. We all enjoyed it and want to join a Martial Arts School.
