

MORLEY HOUSE NEWSLETTER

Issue 3 - 25th September 2009

Lily Foundation

This week Morley House sent a donation of £150.00 to the Lily Foundation Charity. The money was raised by the children selling cakes and biscuits in the Tuck Shops which were held during the summer term. A big thank you to all the parents and pupils who both supported and participated in these events.

Environmental Garden

On Wednesday 23rd September a team of professional gardeners completed the landscaping of the environmental garden at the rear of Morley House. There is still a pergola to be built and a bird nesting box is to be installed. This will soon become a new and interesting nature area for the children to work and learn in.

Tuck Shop

Year 2 will hold their Tuck Shop on Wednesday 30th September at 2.45pm all contributions will be gratefully received.

School Clubs

After school clubs are proving very popular and there is a waiting list for the Football and Fitness Clubs. Therefore if any pupils decide that they no longer wish to take part in these clubs, would parents please inform Mr Crossland, this will enable other children already on the reserve list to join.
