## Star Gallery

Year 3 went to the pottery. We were learning about Ancient Greek pottery. A man called Mohamed or Mo showed us how you make a water jug. First Mo got two big pieces of clay and started patting the clay into a round shape and then he put it on his potter's wheel. Next he showed us the coloured paints he had and he painted a bowl and a jug. Then we asked some questions. We had lots of fun but we had to stand up for a long time.

## Year 4 trip to Fishbourne Roman Palace

On Monday the 28<sup>th</sup> September Year 4 went to Fishbourne Roman Palace. When we got there we went to watch a video about how Fishbourne used to be. After that we did our workshop and we pretended to be archaeologists. We were given a piece of stone or pottery to find out what it was.

After that we split into three groups. One group went outside in the garden, another group went to look at some mosaics and the last group went to the museum part and we rotated round.
