

# Nursery News !

A big Thank you to everyone who supported us with the 'Haven Fun & Fitness Pre-School Sports Equipment Giveaway'. We reached our 70% target to receive free pre-school sports equipment and have now achieved 100% support to receive the free bonus pack !

The equipment has just arrived and I am pleased to confirm that the Foundation Stage children are now happily playing with a new football goal post and a parachute play pack complete with new parachute! This has really helped boost our provision of outdoor play opportunities. Thank you all very much for pledging your support and helping us achieve our goal !

## Quote of the week from the Nursery !

A Nursery practitioner noticed that one of the nursery children was wearing new shoes: "I like your new shoes" she said, "They're my favourite colour."

At which point another child looked at the practitioners shoes and said:  
" Did your Mummy put you in your boring shoes today ? "

Out of the mouths of babes..... ! ! ! !
