The U18 GB Ice Hockey Squad 2010

Sam Bolwell from Year 12 has been selected to represent Great Britain as a member of the Under 18 Ice Hockey Team at the Orangeways Women's Tournament taking place in Budapest, Hungary from 11th to 15th March 2010.

Sam (Jersey Number 4) plays as Goaltender also known the Goalie or Netminder and spends the match defending her team's goal net by stopping shots of the puck from entering her team's net - thus preventing the opposing team from scoring.

Because of the power of shots Sam has to wear special equipment designed to protect the body from direct impact (photo below)
