Our aim is to provide a flexible transport system that can accommodate the needs of parents and pupils. We conduct an annual review of our transport service. Following this review we agree new contracts for the forthcoming academic year. *It may be possible to make minor adjustments to a route during the year in order to accommodate changes and parental requests.*

The termly fare is £350.00, full transport and half transport, (up to five journeys per week) £200.00. Routes are subject to review on an ongoing basis, please ask for more details if your preferred stop is not on any of these routes.

If you wish to book a seat for either the morning or afternoon journey only, this can be arranged subject to the availability of places and will cost £5.00 per journey. Pupils using the coach both ways will take priority. A full term's notice of withdrawal of the pupil from school transport is required. This should be sent in writing to the Senior School Office.

It must be understood that in the event of a pupil being removed from transport by the School, as punishment for misbehaviour on the coaches, the return of any outstanding monies is at the discretion of the Trustees of Lewes Old Grammar School.
