Our aim is to provide a flexible transport system that can accommodate the needs of new parents and their children as far as possible.

We conduct an annual review of our transport service. Following this review we agree new contracts for the forthcoming academic year, together with new pick up stops if applicable. During the year it may be possible to make minor adjustments to a route in order to accommodate changes and parental requests. We would be grateful if you could indicate your ideal pick up and drop off point on the reply slip below. The current termly fare is £495.00, full transport (six to ten journeys per week) and half transport, (up to five journeys per week) £345.00. This may be subject to change in September.

If you wish to book an occasional seat for either the morning or afternoon journey only, it can be arranged but is subject to the availability of places and will cost £8.00 or £3.00 if it's in the BN7 1 or 2 postcode per journey or a daily cost of £12.50. Pupils using the coach both ways will take priority. A full term's notice of withdrawal of the pupil from school transport is required. This should be sent in writing to the Senior School Office.

It must be understood that in the event of a pupil being removed from transport by the School, as punishment for misbehaviour on the coaches, the return of any outstanding monies is at the discretion of the Trustees of Lewes Old Grammar School.
